Welcome to 2021 **The Leading 100**

LuxeSF, San Francisco magazine and **Modern Luxury Silicon Valley**, in partnership with the respected **RealTrends** organization, are proud to introduce The Leading 100 list, which recognizes the outstanding top performers in Bay Area residential real estate sales. The stated vision of The Leading 100 list is to provide the Bay Area community with an authoritative, annual guide to real estate agent performance based on results and meritorious performance.

The 2021 Leading 100 list represents the Bay Area's 100 top-producing agents who registered outstanding performance in the calendar year 2020, based on dollar sales volume. As in previous years, The Leading 100 list recognizes both Individual and Team sales performance.

RealTrends data, universally recognized as the most reputable and accurate in the industry because of its verification protocols and recording of off-market transactions, was used as the basic platform in developing The Leading 100 list. That data was supplemented, where necessary and appropriate, with verified information provided by brokerage management.

We wish to congratulate the 2021 Leading 100 honorees for their success, which is based upon hard work, passion for the business, and commitment to their industry and clients, on whose behalf they labor tirelessly. There is an accolade much deserved, and it is with great pleasure that we communicate that achievement to the community at large—to their industry peers and to the clients who rely so heavily upon their valued service.
